🕒 Time: 12.00-16.00 - – Saturday 24th September 2022

Central Bletchley & Fenny Stratford Neighbourhood Police team will be holding a Weapons Amnesty collection. Working in partnership with Milton Keynes Council, we are conducting collections of all banned/bladed objects in this area to show our ongoing commitment to tackling violent crime and get weapons off the streets.

You can drop off any knives that you don't use at home or Sharpe bladed objects that in the wrong hands could be used as an offensive weapon in crime.

We're holding the knife amnesty so you can hand these in safely and anonymously **WE WILL NOT TAKE ANY PERSONAL DETAILS FROM YOU & YOU WILL NOT BE PENALISED.** If you have any questions or concerns about knife crime please feel free to pop along and chat with police in private.

LET'S WORK AS A COMMUNITY & MAKE OUR STREETS SAFER
