Reason: For the avoidance of doubt and in the interests of securing sustainable development.

- 3 All external materials used in the development shall match those used in the existing building in colour, coursing and texture unless, prior to their incorporation into the development hereby approved, alternative details are first submitted to and approved in writing by the Local Planning Authority pursuant to an application made in that regard, whereafter the approved alternative details shall be incorporated into the development.

Reason: In the visual interest of the building(s) and the surrounding area.

Your attention is drawn to the following:

Milton Keynes City Council takes a positive and proactive approach to development proposals, working with applicants or their representative in a positive and proactive manner by operating in line with its [Customer Charter](#), offering a pre-application advice service, having clear policy on when amendments will or will not be pursued or accepted, suggesting solutions to secure a successful outcome where appropriate and feasible, and informing applicants or their representative of any likely recommendation of refusal prior to a decision.

Unless expressly applied for and stated in the description above, this decision conveys no approval of an associated planning consent (such as listed building or advertisement consent).

Any deviation from the approved plans/drawings and/or details should be discussed with the local planning authority in advance. This includes circumstances where the applicant/developer subsequently identifies inaccuracies with the approved documents or conflict with other regulatory requirements. A formal application to secure a revised permission is likely to be necessary. Failure to secure necessary approval may result in the commencement of enforcement proceedings.

Right of Appeal

If you are aggrieved by the decision of the local planning authority to grant permission for your proposal subject to conditions, then you can appeal to the Secretary of State.

Appeals must be made using a form available from the Planning Inspectorate at www.gov.uk/planning-inspectorate. The Secretary of State need not consider an appeal if it seems to them that the local planning authority could not have granted permission for the proposal or could not have granted it without the conditions they imposed, having regard to statutory requirements.

Purchase Notices

If permission is granted subject to an unacceptable condition, and the owner of the property claims that the property has consequently become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development/work which has been or would be permitted, the owner may serve on the Council a purchase notice requiring that Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Other regulatory matters

This is a decision under planning legislation only. It does not convey a decision under, or override, supersede or negate, any other legislation or the need to comply with restrictive covenants under civil law.

You can get further information on the need for Building Control approval at www.milton-keynes.gov.uk/planning-and-building/building-control.

The applicant and/or developer is reminded of the need for separate consent to carry out any works in the adopted highway. Further information is available at www.milton-keynes.gov.uk/highways.

Anyone intending to carry out work described in the Party Wall Act 1996 must give adjoining owners at least 2 months' notice in writing of their intentions. You can find out more at www.gov.uk/party-walls-building-works.
