Consultation from Buckinghamshire Council on Variation of condition 2 (transport statement) relating to application 20/03539/APP (Installation of a gas tanker off loading facility for injection of renewable gas into the national gas distribution network)

Thank you for consulting Milton Keynes City Council on the above application. Milton Keynes City Council has **no objection** to the development on the basis that, as set out within the statement, the proposals will use larger capacity vehicles with identical length, height and weight with an overall reduction in the number of vehicles.

Yours sincerely

Lucy Baxter
Senior Planning Officer
Development Management
on behalf of the Head of Planning
